### The "One Month to Live" Campaign Comes to LifeSong!

Beginning Sunday, September 7, LifeSong Church will host the "One Month to Live" Campaign based on the best selling book by Kerry and Chris Shook. It centers on the idea of "what if you only had one month to live?" This is followed by another set of accompanying questions such as - how would you make each day really matter? What would you start or stop doing? How would you relate to others?

The goal of the campaign is help people stop waiting for "someday" to come and to start making each day really matter. By taking this 30-day challenge participants will learn what it means to make the most of our time on earth and live life with no regrets. Why wait to answer the longings of your heart? We can live this way now, thriving in a life of passion and purpose as we find a way to engage fully in each day.

For more information on the "One Month to Live" Campaign, please call LifeSong Church at (407) 273-8368.
